

Synerbio Daily

Synerbio Daily is an expert formulation comprising good gut bacteria (commonly known as probiotics) with added 'prebiotics'. The unique Prebiotic FS2-60 offers full-spectrum prebiotic oligosaccharide and plant-derived inulin. FS2-60 is not digested but is utilised by the friendly flora to increase colonisation of Lactobacilli and the Bifidobacteria whilst reducing the foothold of unfriendly species.

The human gut is home to an immense population of bacteria. Some 100 trillion bacteria populate the human gut, a number that is 10 times greater than the number of cells in the human body. Because of the sheer size and importance of the gut bacteria, this microbial population can be viewed as a bacterial organ, about the size of your liver and just as important to support and protect.

Good for replenishing the digestive system after a bout of illness or medication whilst being gentle enough for daily support. We recommend taking alongside a multivitamin and an oil to form a foundation for good health.

Contains 100% active ingredients formulated by expert nutritionists with no artificial fillers and no nasties. Sourced according to Viridian's strict ethical criteria including no animal testing, GMO or palm oil.

Key Features:

- Combines 1.5 billion friendly bacteria from four well-researched strains
- Supports a healthy microbiome
- Vegan formulation with no need for refrigeration
- Perfect for daily support

1.5 billion friendly bacteria per capsule

Nutritional Information: one capsule provides:

Ingredient	Weight
Total viable good bacteria count <i>Lactobacillus acidophilus</i> DDS-1 <i>Bifidobacterium breve</i> PBS 077 <i>Bifidobacterium infantis</i> B1 072 <i>Bifidobacterium longum</i> BLG 240 (Guaranteed at time of manufacture)	1.5 billion CFU
Prebiotic FS2-60* *Full spectrum prebiotic oligosaccharide and plant-derived inulin	370mg
Plant cellulose capsule
