

# Licorice Extract 250mg

Licorice is one of the most extensively used and scientifically investigated herbal medicines. The medicinal use of licorice in both eastern and western cultures dates back thousands of years and is one of the most popular components of Chinese medicine.

Traditional uses of Licorice (*Glycyrrhiza Glabra*) root include supporting the immune system, soothing the respiratory tract and maintaining digestive comfort. The licorice root extract in this supplement is standardised to 20% glycyrrhizic acid, ensuring a consistently effective level of active ingredient inside every capsule.

Contains 100% active ingredients formulated by expert nutritionists with no artificial fillers and no nasties. Sourced according to Viridian's strict ethical criteria including no animal testing, GMO or palm oil.
