

High Potency Digestive Aid

High Potency Digestive Aid provides broad-spectrum digestive enzymes for the digestion of carbohydrates, fibre, protein and fats.

A vegan combination of enzymes, betaine hydrochloride, peppermint and ginger to help promote a healthy and well-balanced environment for digestion to take place with optimum efficiency. Peppermint leaf also helps with indigestion, whilst the addition of ginger root extract contributes to the normal function of the intestinal tract.

Viridian's High potency digestive aid comes in convenient vegan capsules that are activated in the stomach.

Contains 100% active ingredients, formulated by expert nutritionists with no artificial fillers and no nasties. Sourced according to Viridian's strict ethical criteria including no animal testing, GMO or palm oil.
